

2014-15 Kaiser Bill 1.5 10/11/2014

Fool In come Prize Old Mummers
to present our solstice play.
They say it'll be all over by Christmas *They said it would all be over by Christmas*
So please, don't go away. *But it didn't turn out that way.*

FC It's how the seasons in their turn will run
Of life and death for everyone.
Over the top our characters go
To take their part in the Big Show.

George In come I King George
I'm England's Royal male.
I've put my stamp upon the Empire.
And To deliver I will never fail.

Moll In come I a Pompey lass
Oive got a shape like a beer glass.
The Scot's might've voted NO
But I got my independence a long time ago.

FC If these two represent the good
There's a lot about life I've never understood

Jack IT Green On this world's stage our actors play
And death is seldom far away.
But In here strides villain number one
Trouble now has just begun...

Dragon In come I the fiercest dragon
some my name they try to blacken.
I've never bitten off more than I can chew
And little Prince George, I'll soon make short work of you.

George What's this? A foreign looking chappie
Clear orf and make it snappy.
I'll not be troubled by some passing oik
So run away, get on your bike.(Portsmouth accent)

Dragon Red meat is what I adore
Forget the vegetables, I'm here for gore.
A balanced diet is no big deal
And you will make a happy meal.

George Take your snout out of my eye
turn around and say goodbye
Remove your odious personage from my view
Before I have a chance to run you through.

Dragon OK Boy George that's it, prepare to fight
You've raised a dragon's wrath.
Yes, you'll soon call it quits
When I cut off your benefits.

2014-15 George **Kaiser Bill 1.5 10/11/2014**
 You rotten newt, you slimy worm
 Why don't you stop your storming.
 I'll extinguish all your fire
 And reduce our global warming

Dragon Oh hark at you, all nice and green
 I'm going to make you fry.
 You'll have my carbon footprint
 right between your eyes

George Phoeey . **(Run through dragon falls to floor).**

Fool George, George, what have you done?

George I've gone and stabbed him up the (nether regions) bum!

Jack IT G With one villain out of the way
 Our hero lives to fight another day
 Watch your back, here comes someone.
 The man in red you cannot shun

Devil In come I Beelzebub
 To look for some lost souls

Fool Whose souls.

All: Our souls

Devil I need more fuel, hell's getting icy
 And British Gas is just too pricey

Jack IT G The devil lurks we must take heed
 We cannot let him now succeed.
 He will lure the unwary to his lair
 Look out now we must take care.

Devil Yes I'm here to have my fun
 Hell's the place for everyone.
 Well Moll you're a sight for sore eyes
 I'll bet you're packing a surprise!

Moll Well hello there Old Nick.
 Yes I'm a well-endowed chick.
 (aside)I think he's kind of cute
 I Wonder what's he's like in his birthday suit?

Jack IT G So George has repulsed one foe
 And Moll wonders where the devil she should go
 Beelzebub lurks to gather more fuel
 Enter now another for a duel.

Kaiser In come I Herr Kaiser Bill
 I' m just the kind of guy who will
 Put an end to your succession

2014-15 **Kaiser Bill 1.5 10/11/2014**
 With some Germanic aggression
 I'm The crusher from Prussia, the Hun with the gun,
 The Goth with the wrath, and I'll soon see you off.

George Gadzooks this chappie wants a fight
 But this British lion will set him right.
 The Euro wannabe will not stand a chance
 Upon his grave I'll Morris dance.

Moll Well well two hot bloods square up to fight
 It's hard to make a choice alright.
 But with which one shall I relax?
 And make it worth my bedroom tax.

Kaiser George It's time to say farewell
 I've come to send you off to hell. (**Devil** "Oh goody")
 Just look at the mighty power from Berlin
 Then go and warn your next of kin.

George It's obvious to see, without a doubt
 That you are just a sour Kraut.
 Your spiky head will soon be burst
 Then we'll see who's come off wurst

Kaiser Mein Gott! Such a hideous national stereotype!
 Never have I heard such tripe.
 With just one quick attack
 Those words will land you on your back.
 This English goose will be well plucked
 His cause is well and truly finished

George Ok Billious enough's enough
 You're just a Teutonic powder puff.
 I have even heard a rumour
 that you have no sense of humour.

Moll Order! Order! you must not fight!
 I need at least one of you tonight.
 Can't you have a Christmas truce
 Then we can all play fast and loose!

George/Kaiser Rubbish! **Fight: Slasher & George fall to the floor.**

Devil Ha! Ha! Now there's corpses on the floor
 If I hang around there may be more.
 More souls for me to burn
 To a nice warm hell I can return

Moll So much for my romantic scheme
 One knight, one love and one big dream.
 Willie's down and George is stabbed
 And I'm still waiting to be grabbed.

Jack IT G Moll's romance has been snubbed out

2014-15 Kaiser Bill 1.5 10/11/2014
 She is lost beyond a doubt.
 And George was injured in this tussle
 We need to revitalise his little muscle.

Bystander Is there a Doctor to be found
 To cure these men a bleeding on the ground?
 Doctor Doctor come and see Georgie has a poorly knee
 Doctor Doctor do not linger the Kaiser has a wounded finger
 Doctor Doctor do be quick our hero has a damaged.....

Doctor **Prick up your ears there's no need to shout**
I'm a Doctor within and a professor without.

Bystander Without what?

Doctor **Without a doubt the foremost medic in this land**
With the finest cures at my command
I can do most anything, If you've got the (cash / dosh)
I even brought the rubber gloves in case (you've got a rash/ you
need a wash).

Bystander Oh you are an amusing feller
 Did you find your medicine in a pub cellar?

Doctor **My bottle of Prize Old Ale**
Will rouse the lifeless without fail.
One small sip, and let it spread through the system
You'll soon see there's truth in my wisdom.

Devil Just one moment if you will
 These souls are mine. They're dead, not ill.
 I'm the Devil don't you know
 And this lot here are going below.

Moll Oh please please may I assist?
 I have something you can not resist!
 My assets have long been admired.
 And You can use them as required.

Bystander No No keep your charms for another day
 The quack find a safer way.

Doctor **My talents need cash in advance**
So I'll not leave my fee to chance.
You need to find some money quick
Or they're all hellbound with Old Nick !

Devil At last things seem to be going my way
 This quack won't work without his pay.
 The NHS can't come to your aid
 Privatisation has you all betrayed.

Bystander Doctor Doctor

- 2014-15** **Kaiser Bill 1.5 10/11/2014**
 And when he takes me, . . . up the aisle
 He'll see that I'm no fake.
- Kaiser** Prize Old Ale has done its stuff
 But my sight is not quite blurred enough.
 I'm living and able to stand again now
 but there's no way I'm taking her as meine Frau!
- Doctor** **The dragon too I will arise**
My syringe will come as a big surprise *Tries to inject*
His skin's too tough for in injection
But there's another route for his resurrection. (Per Rectum)
- Dragon** Ouch! (or some such ejaculation)
- Devil** The Gates of Hell were open wide
 I was ready to take those souls inside
 But this fracking pleb gets in my way!
 Who runs this place, not you I say.
- FC** As we said at the beginning
 This play is all about the right side winning.
 The forces of darkness have been laid to rest
 And all that it is good has come out best.
- Fool** Don't give you money to the government
 Just put it in our bucket
 And when the Taxman wants your cash
 You can just say I gave at the pub.
- FC** So please pass your cash in this direction
 We'll finish off with our collection
 Hospices are our worthy cause
 So give us your money and some applause.
